

So many thousands of intelligent and capable would-be investors are out there, ready to put their capital to work for a better future. All they need is someone they can trust, someone to teach them how to invest. All they need... is you.

And all you need is the RPCXchange Affiliate Program – a unique “Done-With-You” business partnership that allows you to build your own business by harnessing the expertise and technology of RP Capital. As an affiliate, your benefits include the following:

Full Access to Our Proprietary All-In-One Software Suite

- **Onboard and educate clients with our “Wealth Plan” Software: Quickly and easily enter clients’ assets and financial goals. Use actual properties to project their cash flow, net worth, and equity over a 10-year span.**
- Free up time and resources via automation: Software automatically sends emails to relevant parties for every stage, all the way through escrow.
- **Streamline your workflow with our comprehensive Inventory and Order Management System: This covers everything – from orders, to inventory, to sales. Track leads, sales, gross and paid commissions, P&L statements, and more.**
- Rest assured... with our amazing Tech Support: These are the folks who built this software, who know it inside and out. They are here – for you.
- **Full CRM integration, ability to utilize software with your own properties and RP Capital’s, easy-to-view charts and graphs (fully “clickable”, so you can drill down for extra details), and more...**

3-Day Live Training at RP Capital’s Headquarters

You’ll receive three full days of immersive, hands-on training – a deep dive into the ins and outs of RP Capital’s entire proprietary system. We’ll show you exactly how to do this business right. You’ll receive:

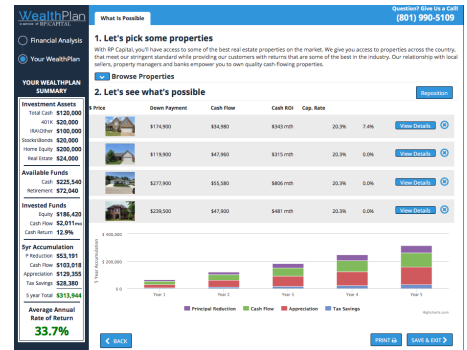

- Comprehensive training on how to use our proprietary software
- **Personalized coaching on our whole sales process – strategy, tactics, and best practices**
- Guidance on the right way to approach all things related to Human Resources
- **Everything you need to know about Customer Service – what works, what doesn’t, and why it matters...**

Complete Library of Document Templates and Scripts

We’ll provide you with the documents you’ll use in your business – Our pro forma template, setter and sales stages and scripts, email templates for entire order management process, and email templates and phone scripts for customer service issues.

Online Property Marketing Platform... and Access to High-Quality Leads

- **You’ll receive your own front-end website** as part of the Inventory Management System – this elegant and professional-looking interface will simplify the process for both your clients and you.
- At RP Capital, we’ve pretty much mastered lead generation – via Facebook, Google, and more. **You’ll be able to tap into our massive base of qualified leads...** so you can focus on converting them.

Licensee Fees:

- \$75,000 License Fee + Maintenance
